

Name: _____

Market Squid

Read ***The Super-Market Squid Squidtoon***. Answer the questions below.

1. Why do fisherman use lights to catch squid?

2. Based on the article, what structures, or body parts, do you think the squid uses to hunt? Provide evidence for your answer.

3. How do humans impact squid?

4. After reading the *Squidtoon*, what scientific questions do you have about squid? How would you find out the answers to these questions?

Did you know?

Scientists and students at Scripps Institution of Oceanography who like to combine art and science draw Squidtoons!

Visit squidtoons.com to see more of their work.

Name: _____

Draw your own “toon” to explain why you think squid are important for the ocean.
