From the classroom to the aquarium, our accredited camps merge scientific exploration with hands-on fun and learning. Campers investigate marine habitats, create ocean art projects, learn about careers in oceanography, and combine the science and sports of surfing and snorkeling — all while making new friends and memories.

We take pride in offering a fun and safe learning environment for campers to connect with nature while developing an awareness and respect for the ocean. We continue to align our camps with the guidelines of the American Camp Association, and we work with Kid Included Together to help support campers of all abilities. Visit aquarium.ucsd.edu to review available camps, confirm prices and times, apply for financial aid, and book your camp today!

QUESTIONS?
Call our friendly staff at 858.534.7336 and we’d love to answer any questions you have.

NEED AN EXTRA CAMP SHIRT?
