# Changing Landforms

“The Sun, the Wind and the Rain,” written by Lisa Westberg Peters, illustrated by Ted Rand

Think about the similarities and differences between how long it took for the earth mountain and Elizabeth’s sand mountain to be made.

What words were used describe the amount of time for each mountain to be created? Write those words in the boxes below:

 <b>Earth Mountain</b>	 <b>Elizabeth’s Sand Mountain</b>

Which took longer to make, the earth mountain or Elizabeth’s sand mountain? What is your evidence? Write your answer below:

---

---

---

Name \_\_\_\_\_

How did the sun, the wind and the rain change the earth mountain and Elizabeth's sand mountain? Draw and/or write your answers in the boxes.

Sun

Wind

Rain
