

BIRDWATCHING AT SCRIPPS PIER

Put your observation skills to the test and see how many seabirds you can find off of Scripps Pier! Keep a tally of how many, including what they are doing, their direction of flight and distance from Pier, just like our Scripps Scientists do!

Type of Bird	Number Seen ( =5)	Behavior (Circle one)	Direction of Flight	Distance from Pier
 Western Gull		Flying Floating Sitting on Pier Hunting Eating Other:		
 Brown Pelican		Flying Floating Sitting on Pier Hunting Eating Other:		
 Osprey		Flying Floating Sitting on Pier Hunting Eating Other:		

 <p>Pigeon</p>		<p>Flying Floating Sitting on Pier Hunting Eating Other:</p>		
 <p>Common Murre</p>		<p>Flying Floating Sitting on Pier Hunting Eating Other:</p>		
 <p>Brown Booby</p>		<p>Flying Floating Sitting on Pier Hunting Eating Other:</p>		
 <p>Royal Tern</p>		<p>Flying Floating Sitting on Pier Hunting Eating Other:</p>		
 <p>Brandt's Cormorant</p>		<p>Flying Floating Sitting on Pier Hunting Eating Other:</p>
